♥CHAPTER 1; Jealously.

I sit there, on the grass, looking for a reason to get up. I flop onto the grass, and slowly start to fall into sleep.

I get woken up by the sound of

"Flower?" I flutter my eyes open to be hit with light, then i notice a shadow over me. neon green, looks like a leaf, oh it's leafy!

"hm?" i sat up and looked at her.

"are you okay? i often see you alone walking! aren't you like.. REALLY close to Ruby?" leafy questioned

"yeah, i am. i just.." i pause there to think of a lie. i wasn't really okay, i was experiencing a feeling with Ruby, me and Ruby have always been close, ever since she noticed my true beauty! but lately, i've gotten different feelings, it's like.. i wanted Ruby all to myself. i want to kiss her, cuddle her, carry her, and more. but i feel jealousy whenever she hangs out with anyone else, it happens a lot with her alliance, Freesmart. it makes me want to.. get rid of them, and-

"FLOWER!" shouted leafy.

"hm?!-"

"you were thinking for a while, you good?" asked leafy.

"yeah i'm all good! don't worry about me!" i lie.

"okay if you say so, my friendo flower!" leafy says she gets up,

heheh.. friends! i can't believe i have friends now! it makes me happy!

speaking of friends, i haven't talked to Ruby in a while. WAIT! i

wonder if she has the same feelings with me?? then we could be.. hm. no, i won't ask her that. but i will talk to her!

i get up to find Ruby, and start walking around, the grassy plain. soon, i find Ruby talking with Bubble, and.. Match. she's always found me as a rival to her? we don't have to be though.. it seems this jealousy feeling is coming back but stronger, the urge to strangle them right now is strong, but i keep it in and to myself.

"Hey Ruby!!!" i shouted excitedly, ignoring the jealousy. i run over and hug Ruby. which seems to get Ruby flustered?

"Oh hey, Flower!!" she says as she hugs me back. i could feel Match's eyes on me, her eyes scream disgust. Bubble felt more like "awe!" or something.

"Soo, whatcha doing?" i asked, also ignoring Match's eyes on me, side eyeing me as she turned to Bubble. mental note, if i were to get rid of them, do Match first. WAIT. i am seriously considering doing that?!

"ohh nothing! just talking with Freesmart! wanna join??-" Ruby was cut off by Match yelling,

"um like no. she's like.. my rival?"

"like i said, earlier on, we don't have to be rivals!" i say sweetly. match just rolls her eyes then Ruby says

"Yeah, why are you guys even rivals?!" i shrugged, Match stays quiet.

"Right.. anyways.. Flower join us!" ruby says excitedly.

"Okay!" apparently they were talking about the BFB places and who. they were at 7th place which, my friend, firey was in! then they were talking.. shit about him?!

"i mean he's so like random!"

"yeah he ios.. kinda.. in a goo-!"

"no in a like bad way! he's like.. ruby but more like stupid!"

"you guys think i'm stupid?!"

bubble stays quiet and looks at the ground.

"yeah, i mean like kinda" she's lying. she thinks she's stupid, i can tell.

"what the actual fuck?! why would you say that to ruby?!" i shout. match & bubble look at me.

"Flower it's okay, really-" ruby was cut off again by me.

"No the FUCK it isn't!!!! what the actual HELL IS WRONG WITH YOU GUYS?!" i scream. i turn to ruby,

"Ruby, why do you hang out with them." i whisper.

"um.." she was thinking to tell me or not. ugh. why would they say that. i would at least keep it to myself. but wait, didn't match say really abusive stuff to bubble? why does bubble still hang out with her. match is overall just a bratty spoiled match. i despise her.

then i see ruby shrug. i could see her eyes watery, should i.. or not.. it might ruin our friendship! ugh.. this is so angering. instead, i go hug her, then place her on top of my head, as the petals cushion her.

"i'm taking her. have fun, i'll be telling firey." i say as i walk off, i can feel ruby wave bye.

we walk a long ways. it's silent until ruby says,

"hey flower, out of curiosity, why do you care for me so much?"

i pause, and blush at the question, thinking about the jealousy, kissing her, cuddling her, and more. ruby looks down, and notices my whole face is red.

"flower?" questioned ruby

"u-um.. it's just i care for you as an friend!" i lie.

"but you care about me way more then leafy, firey, even loser!"

"it's.. (i sigh) because you're my best friend, and i need to look out for

you!" i lie again.

"you're face is red? are you okay?" questioned ruby

"hm? oh yeah just the sun!" i lie once AGAIN.

"Oh okay!!" she says.

The sun is starting to set and then i hear a gasp from ruby.

"FLOWER!! THE SUNSET LOOKS SO BEAUTIFUL, LIKE YOUU!!" ruby screams out.

i blush really hard and smile. god i love her so much. she can be sensitive, and random but i love that about her, and not to mention, she's beautiful herself!!

"You're beautiful too!! don't forget that!" i smile.

"oh gosh! i.. i don't know what to say!" she giggles.

We hang out for more and more hours until sunset turns into dusk then into night, then we both return to our hotel rooms for the night.

man what a day! i smile to myself thinking about ruby, then eventually fall asleep thinking about her.
